A GREENER WAY TO DECK THE HALLS

Want to feel the holiday spirit without feeling the pinch on your utility bills? Here are a few easy ways to keep your home safe, beautiful, and energy efficient this holiday season.

Turn off lights before you leave or when you go to bed to reduce energy usage and decrease fire risk.

Upgrade your décor to LED or battery-powered options that can help you feel cozy without wasting energy.

Plan your holiday meals by batch cooking, using small appliances, and avoiding the oven when you can.

Outdoor décor? Go solar! It's a simple way to spice up your space with less impact on your energy bill.

BRIGHTEN THE HOLIDAYS WITH THE ULTIMATE GIFT

For many families, the holidays are a time of worry and uncertainty. However, you can help. By donating to the CARE program, you are not only assisting with bills, but also providing hope, comfort, and light to a neighbor experiencing financial hardship.

100% of CARE Program donations go directly to people in need in our community.

Donating is easy – simply request a one time or monthly donation and we'll add it to your utility bill. Then **Beaches Energy will match your donation, doubling your impact.**

Learn more and donate today at BeachesEnergy.com/CARE

HOLIDAY SCAMS ARE HEATING UP

Every winter, scammers take advantage of cold weather and higher spending to try to convince people their utilities are at risk. Here are a few tips to help you spot scammers:

1. Beaches Energy will not call or email **demanding immediate** payment to avoid shutoff.
2. Our team will never ask for payment using gift cards, transfers, or other digital payment options.
3. If someone is at your door, look for a Beaches Energy shirt and ID badge.
4. If you ever suspect a scam, hang up and call our service team at 904-247-6241.
